About Us

Welcome to Auctus Training Institute, a premier registered training organisation (RTO) in Adelaide, South Australia. As a leader in vocational education and training, we specialise in delivering industry-recognised qualifications that prepare our students for jobs that are high in demand.

We offer highly specialised courses in community services, aged and disability care, business administration, leadership & management, work health & safety. We also offer specialised training programs for vocational education teachers.

At Auctus, we pride ourselves on our innovative teaching methods and flexible learning approaches. Whether you're entering a new field, advancing your current career, or seeking professional development, our nationally recognised qualifications provide the perfect foundation for your success.

Our modern facilities in Adelaide, combined with hands-on learning experiences, industry placements create an optimal environment for skill development, employability and professional growth.

Choose Auctus Training Institute for an educational experience that goes beyond traditional learning. We're dedicated to supporting your journey with personalised attention, practical insights, and a commitment to excellence that has made us a trusted name in South Australian education.

Our Values

Caring and compassionate

We're friendly and approachable, and we show genuine care for everyone we interact with.

Knowledgeable and professional

We have a deep understanding and expertise in our field, and this makes us a reliable and credible provider.

Inspirational and wise

We take pride in motivating others, offering advice and guidance. Our experience and attitude inspires and emboldens others.

Passionate and generous

We're deeply committed to what we do, and take any opportunity to give our time, energy and experience for the success of others.

Accessible and respectful

We embrace diversity and always ensure that everyone feels valued and included. We are always kind and courteous in each interaction.

Vision

Empowering people and organisations to grow to their fullest potential, no matter where they have come from.

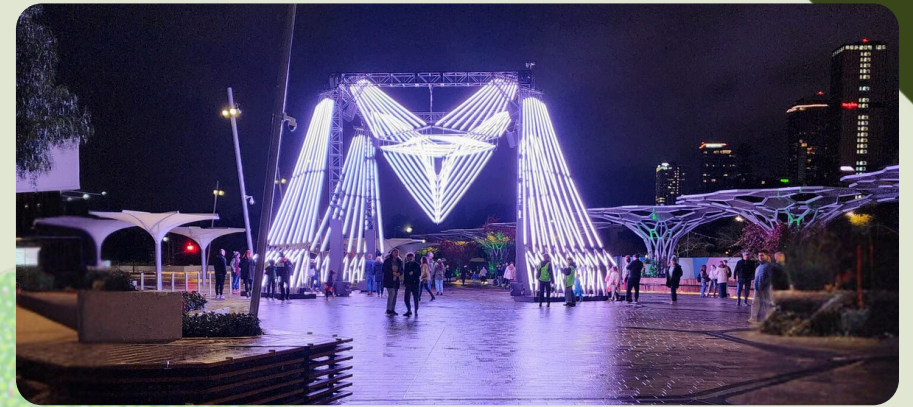

Mission

- 01 Unlock your potential with Australia's leading coaching and training organisation.
- 02 We offer meaningful and flexible learning opportunities that make a real difference.
- 03 Grow your career, enrich your life, and discover the path to success with us.

Experience the vibrant Adelaide lifestyle as an international student

Frequently ranked amongst the world's best five liveable cities, Adelaide offers a perfect blend of academic excellence and a balanced lifestyle that international students find complimentary to their goals. With its world-class universities, diverse cultural scene, and stunning natural landscapes, the city provides an ideal environment for both study and personal growth.

University Pathways

After completing the Diploma of Community Services, students can get guaranteed admission in Australian universities and receive up to 1 year of credit towards bachelor's degrees in social work or community services or counselling.

Student Life

At Auctus, we understand that student life includes both academic and personal experiences. To ensure you have a fulfilling and well-rounded experience, we offer a variety of support services and resources designed to enhance your student life.

Here are some of the services available to you.

Orientation Program

During the orientation week at Auctus, new students participate in a comprehensive program designed to help them acclimate to their new environment. This program includes:

- A warm welcome to the institution
- Introduction to the Auctus campus
- Assistance with various aspects of life in Adelaide:
 - Airport pickup
 - Accommodation arrangements
 - Healthcare information
 - Banking setups
- Orientation to Adelaide city and its public transport system

These carefully structured elements ensure that students feel supported and well-informed as they begin their academic journey at Auctus.

International Student Office

The International Student Office provides comprehensive support for students, including assistance with visa applications and renewals, guidance on health care options, and help with unique academic and personal needs. Additionally, we have Mandarin-speaking staff available to assist students with language support and cultural adaptation.

Counselling Service

The Counselling Service provides confidential support and guidance to students facing personal, academic or emotional challenges. Our trained counsellors offer individual and group sessions to help students navigate stress, anxiety, depression and other mental health concerns. We also organise workshops on topics such as time management, stress reduction and building healthy relationships.

Academic and Learning Support

In addition to regular training, we offer extra tutoring to support student in their assignments and foundation skills. Also, formal English language courses are offer through our partner colleges situated locally. We're here to help you understand coursework and improve academic performance for your success.

Networking and Career Services

We provide comprehensive career planning support to help you prepare for the workplace. Our services include:

- Resume writing assistance
- Job interview preparation
- Guidance on obtaining Tax File Numbers (TFN)
- Assistance with Police clearance applications
- Advice on part-time work opportunities

Additionally, we conduct various networking events to connect students with industry professionals and potential employers.

Why learn with Auctus?

Auctus has consistently achieved impressive outcome for students over the year. For example, the National Centre for Vocational Education Research (NCVER) Survey Report for 2023 highlight our achievements as follows:

Our Student Outcomes for 2023*

91.2% of students
were employed
post graduation

91.1% of students
were satisfied with
their training program

92% of students
achieved their goal by
studying with Auctus

*Australian National Centre for Vocational Education Research (NCVER) Survey Report 2023

These milestones reflect our unwavering commitment to providing high-quality training and education. Our goal is to help you achieve your goals, feel confident, and be prepared to take on any challenge that comes your way. We strive to create an environment where every student can thrive and succeed, ensuring that you are well-equipped with the skills and knowledge needed for your future endeavours.

Students' Testimonials

I recently completed Certificate III of Individual Disability with the amazing trainers at Auctus Education and Training (@auctus_training). The group is composed of highly talented and experienced individuals who bring a wealth of expertise and skills to their work, sharing them with their students. Ms. Ritu stood out for her excellent performance and skills during the course. Ritu is the best trainer ever ★★★★★

Hasti Htami

Certificate III Individual Support

"I recently attended two courses at Auctus Training Centre, and the experience was exceptional. Lois, my trainer in the Certificate 3 Individual Support course, was amazing, providing invaluable expertise and unwavering support. Her practical experience prepared us well for the disability care field. Pamela, who taught the First Aid & CPR course, was friendly and created an engaging learning environment. Aside from the trainers, every staff member I interacted with at Auctus were friendly and helpful. I highly recommend Auctus for these specific courses."

Sandy Xie

Certificate III Individual Support

Great team, perfect environment to learn, awesome trainers, very good at communicating with students and an excellent management system which I will highly recommend.

Ali Khani

Diploma of Community Services

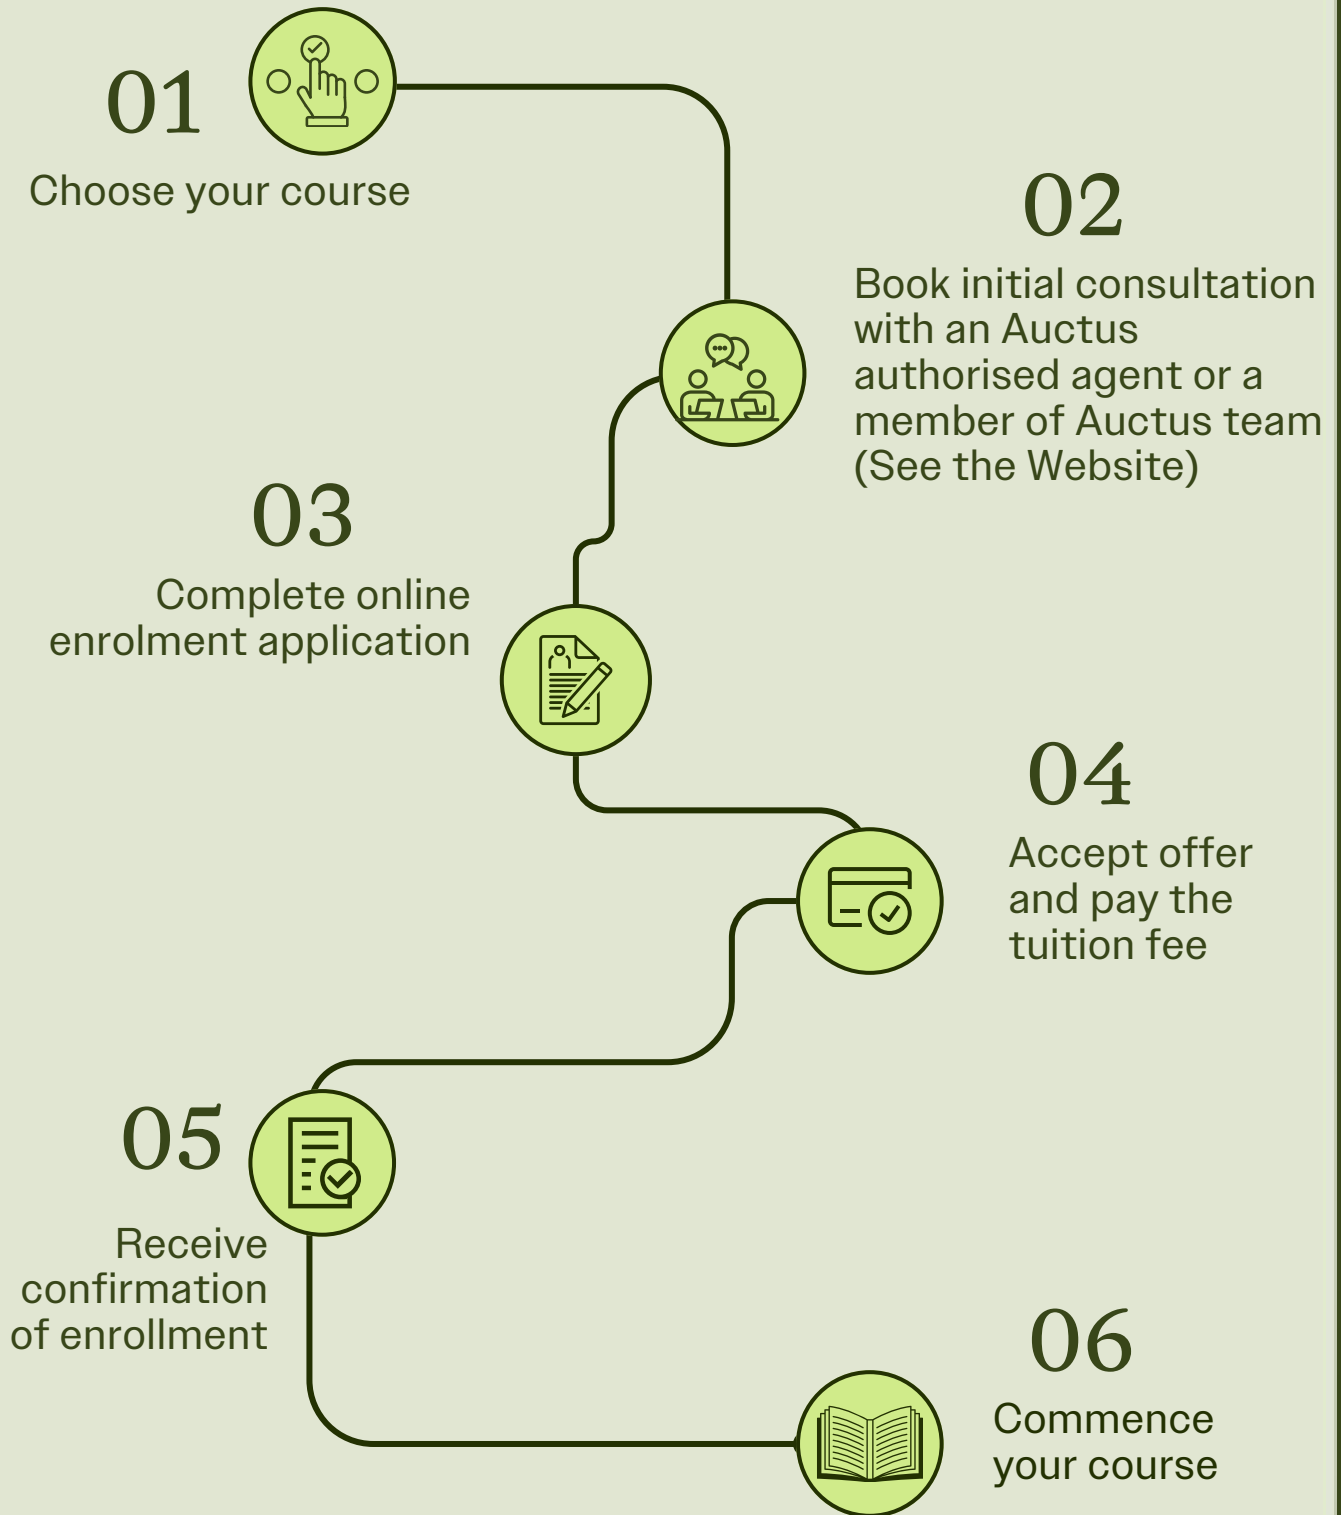

I found the course to be very informative & relatively easy to navigate and understand. The trainer was amazing, patient & helpful.
